

AI Career Days

Midwest USA is next stop in your AI career

[AI Career Days](#) is an initiative that aims to place and retain more AI talent within the Midwest USA. It is organized by MARCH and supported by local training and educational organization, AI talent employers and economic development agencies.

Fall / Winter 2019 AI Career Days events

Hosted by Destination AI / AI Days
@ Microsoft Technology Center
The AON Center 200 E Randolph
Chicago, IL

September 26: talks	3:00PM – 5:30PM
October 25: talks	2:30PM - 4:30PM
October 25 fair	4:30PM - 7:00PM
December 11: talks/fair	2:30PM – 7:00PM

Career Seekers

AI sector employees and students or professionals seeking their future in the AI Field meet employers, career development and training organizations.

Come prepared with resumes and make certain you register on our talent roster for additional candidate exposure. Please note career fair is free, but there may be fees to attend Career development sessions and other Ai programming that may take place prior to or after the fair. (There are student discounts)

Employers

Organizations seeking AI talent connect with talent from experienced practitioners and PHD student from top institutions to entry level talent and career changers this is a one of a kind venue for AI talent.

Get your name out in front of the competition. Economical at a carte participation for the job fair. Job fair sponsorship is free this year to AI Days and MARCH sponsors.

Employers participating will also have their position availability circulated to the MARCH community, one of the largest AI communities in the Midwest USA
